Benchmark 1.8

Benchmark 1.8	
Core Idea	**Federalists and Anti-Federalists**
Focal Point #1	Specific viewpoints are included only in regards to a bill of rights and ratification
Focal Point #2	Note that no specific Federalist or Anti-Federalist papers are identified; it is the purpose of each of these groups of papers which are evident in the name
Focal Point #3	This benchmark is not about the final Bill of Rights, which is a specific document, but about “a bill of rights”
Focal Point #4	The clarifications do not include the Federalists’ reasons for excluding a bill of rights
Sample Item	Note that “a bill of rights” is in lower case which is tied to fundamental rights, which makes B the correct answer.
