

Did You Know?

During the 2015-2016 School Year:

- while **20%** of all public elementary and secondary school teachers in the U.S. were racial and ethnic minorities,
- more than **50%** of elementary and second school students were racial and ethnic minorities?

(Pew Research Center, 2018)

join us for our next a webinar

Representation Matters:

A Discussion of the Effects of Diversity in
American Politics and Education in the
United States

featuring:

Dr. Kenicia Wright

Assistant Professor,
School of Politics, Security & International
Affairs at UCF

Professor Wright's areas of expertise include public policy, the interplay of race, gender, and political representation, and state politics and policy.
