What happens without rules and laws?

Directions: Write one rule that you should follow in each place on the lines. Then, write a sentence about what could happen if we did not have this rule/law.

Place	Example of a rule/law	What could happen if we did not have this rule/law?
Home 	Don't play ball inside.	Things in the house could break.
School 	Walk in a straight line.	You might get split up from your class.
Community 	Stop at a red light.	You might get hurt in an accident.
