
Public Issues Scenarios

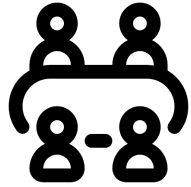

How citizens can work with local
and state government

What issues have you seen in our community?

A large, empty rectangular box with a light blue border, intended for users to write their responses to the question.

How Citizens Can Be Involved in Solving Issues:

Attend community
meetings

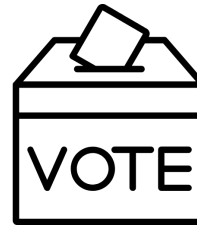

Communicating with
elected officials

Notify government
departments

Raise awareness

Vote on issues

Scenario 1: The park near your house has a bike trail. The trail is badly cracked and covered in tree branches and litter.

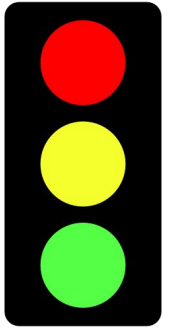

How citizens can address the issue:

Scenario 2: The state park near my house has a damaged dock, so no one can use their boats in the lake.

How citizens can address the issue:

Scenario 3: One of the traffic lights near your house is not working.

How citizens can address the issue:

Scenario 4: Your school does not have recycling cans, so recyclable materials are ending up in the trash.

How citizens can address the issue:

Scenario 5: Your class goes to visit a museum on a field trip, but you notice there is no ramp for wheelchair accessibility.

How citizens can address the issue:
