

# How Can I Make A Difference?

**Rule:** a prescribed guide for conduct or action

**Policy:** a high-level overall plan embracing the general goals and acceptable procedures especially of a governmental body

**Law:** a binding custom or practice of a community : a rule of conduct or action prescribed and formally recognized as binding or enforced by a controlling authority

Brainstorm  
policies/rules/laws that you  
think would be a positive  
benefit to society if they were  
created or changed

Make sure to write down *why*  
you think this change will be  
positive
