

Federalism Scenarios

SS.7.CG.3.4

After Superstorm Sandy in October 2012, President Obama worked with Governor Chris Christie of New Jersey and pledged federal support to help repair the massive storm damage throughout the state.

Each state has its own rules and regulations for obtaining a teaching certificate. If a teacher living in Florida would like to move and teach in Texas, he or she would need to pass one or more exams in order to be certified to teach in Texas.

The state of Montana borders Canada.
If a conflict occurs between Montana
and Canada, can Montana declare war
on Canada?
