

What are the Responsibilities of Citizenship?

1. Write down all the things you can think of that a good citizen does.

2. While watching the two videos, list the responsibilities and obligations of citizens mentioned. Afterward, label each with a “L”, “S”, or “N”, depending on which level of government (local, state, or national) you think the responsibility/obligation corresponds.

3. After watching the videos, answer the question: “What’s the difference between a responsibility and an obligation”? Provide an example of each.

4. While watching the video "The Citizen", summarize in your own words what other responsibilities citizens have in our constitutional republic.
