Citizenship Primary Source Activity-SAMPLE ANSWER

3. Why did you choose this primary source?

Because this image depicts part of the process that future citizens go/went through to gain American citizenship. I found their average age, dress, and facial expressions interesting.

4. How does this primary source connect to either *birthright citizenship*, *naturalization*, or *permanent residency*

Because this image depicts part of the process that individuals that want to be U.S. citizens must go through to gain citizenship through the naturalization process.
