

## CIRCLE: Youth Reasons for Not Voting in 2016 Election, by College Experience

Source: CIRCLE analysis of the 2016 Survey of the Performance of American Elections (SPAEE)

- Which reasons were the most common for not participating?
- Which reasons for not participating have noticeable differences between those voters with college experience and those without college experience? Why do you think this is the case?
- Which reasons for not participating have noticeable similarities between those voters with college experience and those without college experience? Why do you think this is the case?
- Which of these reasons do you think are more likely to be problems with voters who are young? Which do you think could be problematic for voters at any age?
