

FJCC Critical Benchmark Notes Assessment

1. This image is a historical document.

How does the constitutional republic of the United States reflect the ideas expressed in this document?

- A. by establishing a tradition of civic participation
- B. by allowing states to challenge federal laws in court
- C. by maintaining rule of law and holding all citizens accountable
- D. by creating a separation of powers between branches of government

2. This passage comes from the Preamble to the U.S. Constitution.

We the People of the United States ... do ordain and establish this Constitution for the United States of America.

Based on this passage, which foundational principle is being described?

- A. rule of law
- B. due process of law
- C. limited government
- D. equality of mankind

3. This diagram shows that the colonists formed some of their political views from some historical documents.

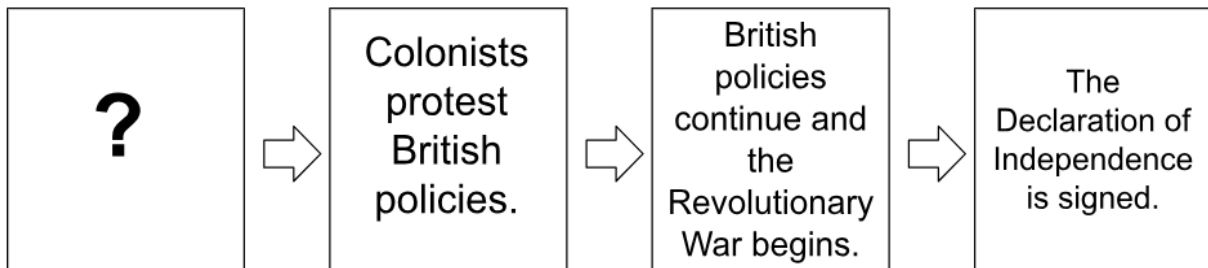

Which phrase completes this diagram?

- A. natural rights
- B. habeas corpus
- C. due process of law
- D. representative self-government

4. Which foundational principle is reflected in the creation of three branches of government?

- A. natural rights
- B. social contract
- C. separation of powers
- D. consent of the governed

5. This diagram describes a cause that led to the writing of the Declaration of Independence.

Which action completes this diagram?

- A. Colonial agricultural trade increases.
- B. Colonial religious rights are restricted.
- C. The British enact a series of taxes in the colonies.
- D. The British grant the colonists representation in Parliament.

6. This passage comes from the Declaration of Independence.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

Based on this passage, where should governments get their power?

- A. from God
- B. from the public
- C. from the legislative branch
- D. from the executive branch

7. Which weakness of the Articles of Confederation was highlighted by the events of Shays's Rebellion?

- A. no national armed forces
- B. no power to enter treaties
- C. lack of a legislative branch
- D. lack of a national court system

8. In the Preamble to the U.S. Constitution, what is the meaning of the phrase "We the People"?

- A. Citizens express their will through political parties.
- B. Citizens express their will by directly creating laws.
- C. Government receives taxes from citizens and exists to support them.
- D. Government receives its power from citizens and exists to serve them.

9. This newspaper headline details an important step in filling a vacancy on the U.S. Supreme Court.

Which constitutional principle does this headline illustrate?

- A. rule of law
- B. judicial review
- C. checks and balances
- D. separation of powers

10. This passage is from *Anti-Federalist Paper #84*, written by Brutus.

The Constitution proposed to your acceptance is designed, not for yourselves alone, but for generations yet unborn. The principles, therefore, upon which the social compact is founded, ought to have been clearly and precisely stated, and the most express and full declaration of rights to have been made. But on this subject there is almost an entire silence.

Based on this passage, with which statement regarding ratification of the U.S. Constitution would the author agree?

- A. The Constitution should limit local government.
- B. The Constitution should protect individual rights.
- C. The Constitution should create a strong national government.
- D. The Constitution should protect the rights of the individual states.

11. Which option best describes the importance of the rule of law?

- A. It allows police to keep evidence a secret during a criminal trial.
- B. It exempts government leaders from having to follow procedures.
- C. It protects citizens from arbitrary and abusive uses of government power.
- D. It ensures different laws can be applied to people of different social classes.

12. This photograph shows individuals becoming U.S. citizens through the naturalization process.

Which of the following describes the eligibility requirements they had to meet?

- A. reside in the U.S. for five years, be of good moral character, and be able to speak and read basic English
- B. be of good moral character, achieve permanent residency, and pledge to serve in the armed forces
- C. reside in the U.S. for five years, pass a reading and math test, and be at least 25 years old
- D. be of good moral character, pass a U.S. history and government test, and pay \$15,000

OMB APPROVAL 3240-0002

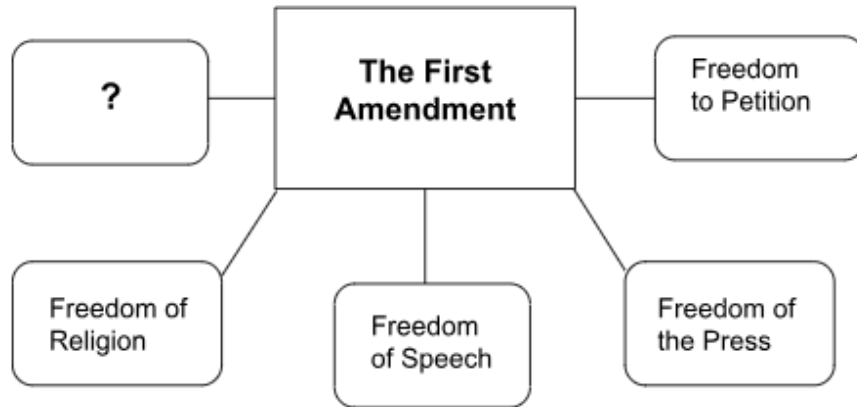

We estimate the public reporting burden for this collection will vary from two minutes per response, including time for reviewing instructions, searching existing data sources, gathering data, and completing and reviewing the information. Send comments regarding the burden statement or any other aspects of the collection of information, including suggestions for reducing this burden to: Selective Service System, SSS Forms Officer (3240-0002), Arlington, VA 22209-2425. The OMB control number 3240-0002, is currently valid. Persons are not required to respond to this collection unless it displays a valid OMB control number.

INT

Why are certain citizens obligated to respond to this document?

- A. to defend the safety and security of the nation
- B. to ensure they stay informed about political issues
- C. to guarantee their right to vote in national elections
- D. to protect the constitutional right to be tried by one's peers

14. This diagram shows freedoms protected in the Bill of Rights.

Which statement best completes this diagram?

- A. Freedom to Vote
- B. Freedom of Assembly
- C. Freedom to a Trial by Jury
- D. Freedom from Habeas Corpus

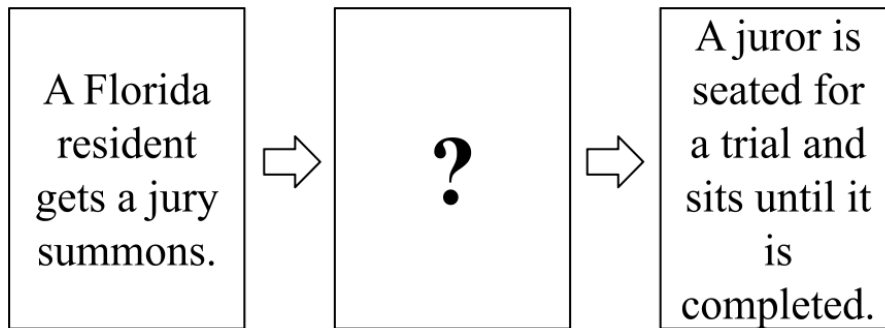

15. This passage about government is from *Federalist No. 78*.

A constitution is, in fact, and must be regarded by the judges, as a fundamental law. It therefore belongs to them to ascertain its meaning, as well as the meaning of any particular act proceeding from the legislative body.

Which conclusion may be drawn from the author's views in this passage?

- A. The U.S. Constitution requires a bill of rights.
- B. The U.S. Supreme Court ensures individual rights are protected.
- C. The U.S. Constitution requires state laws to align with national laws.
- D. The U.S. Congress has the sole responsibility of passing legislation.

16. This diagram shows the steps in selecting a juror.

Which statement completes this diagram?

- A. The jury pool listens to arguments and delivers a verdict.
- B. Attorneys narrow the jury pool through the voir dire process.
- C. Attorneys identify a foreperson to speak on behalf of the jury pool.
- D. The jury pool meets with court clerks to determine any biases that would affect the trial.

- A. Steve teaches others about the World Trade Organization.
- B. Chris writes a report on the history of the United Nations.
- C. Liz reads the latest decisions made by the International Court of Justice.
- D. Kimberly volunteers to raise funds for the United Nations International Children's Emergency Fund.

39. This statement was made by President George W. Bush on September 20, 2001, explaining why the United States was engaging in military action in the Middle East.

Great harm has been done to us. We have suffered great loss. And in our grief and anger we have found our mission and our moment. Freedom and fear are at war. The advance of human freedom – the great achievement of our time, and the great hope of every time – now depends on us. Our nation – this generation – will lift a dark threat of violence from our people and our future. We will rally the world to this cause by our efforts, by our courage. We will not tire, we will not falter, and we will not fail.

Based on this statement, what was the reason for the United States' involvement in this international conflict?

- A. A partnering country committed acts of espionage.
- B. The United States was facing a humanitarian crisis.
- C. The United States was the target of a terrorist attack.
- D. A partnering country broke promises outlined in a treaty.
